concerning health protection UL.COM/EL UL 2801

Freestyle Libre protective patches are:

- a wide selection of variants and colors - check other designs
- good way to make better look
- good for sport activity
- convenience of use
- diameter 65mm secure all Freestyle Libre sensors.

Instruction:

- make sure your sensor is clean and dry - preferably wipe with a disinfectant swab
- peel off the patch carefully, starting in one corner
- to avoid touching the glue, start sticking the patch on the sensor from the side of the peeled-off side, peeling off the backing a little and sticking the patch on at the same time
- after applying, smooth the patch with your finger to make sure that it sticks well
