Product description

Decorating patches for Freestyle Libre sensor are comfort and safety, and a bit of variety to everyday life dominated by readings and measurements. We recommend using patches to attach the sensor when it is more active, especially for children. Beautiful and diverse designs and high quality workmanship provide an additional incentive for their use.

Price for a pack of 5 pcs.

Color: Purple

Freestyle Libre decorating protective patches:

- waterproof and breathable properties,
- protection and aesthetics,
- convenience of use
- large protection area 65 mm
- **based on high-quality sport tape**

Instruction:

- make sure your sensor is clean and dry - preferably wipe with a disinfectant swab
- peel off the patch carefully, starting in one corner
- to avoid touching the glue, start sticking the patch on the skin from the side of the peeled-off side, peeling off the backing a little and sticking the patch on at the same time
- after applying, smooth the patch with your finger to make sure that it sticks well
